Policy:

The following will not be allowed on school buses, school grounds, in school buildings, or at any school-sponsored activity:

Use of a weapon - Any intentional possession/use of any object as a weapon on School District #143 property or at any School District #143 function may be considered for expulsion.

Procedures to be followed for possession of a weapon:

- Police will be contacted
- Parents will be contacted

In the case of a suspension, a mandatory meeting with the Safety Officer will be held before a child will be allowed to return to school.
